So, you still not a member huh? What do we have to do to convince you to join and take part in the Cooks Crew Fanclub? Don't pass by this opportunity to get in on the ground floor of this new Fanclub. Wouldn't you like to say in a few years that you helped make this site what it is today? We are proud to mention that Cook's Crew was the first hometown website to launch in honor of David. We are also the only fansite out there to be totally non-profit. Others may donate some money to the ACS or other charity organizations but Cook's Crew is the only site to not profit from David's fame. We do not have pop up ads, and we do not have google bots posting ads all over our forums. We aren't interested in profiting from this site, we are only interested in creating the best DC fanclub by uniting members who share the same values and goals as we do. So, if you have been looking for a David Cook Fanclub that isn't about the \$\$\$ and IS about helping the ACS and promoting David Cook then you've found the best site around. Below are just a few of the benefits to becoming a Fanclub Member. This list will continue to grow so please take a moment and register. Be a part of the Cooks Crew Revolution!
